

## Audio/Visual Committee Mission Statement

Shirley Miller

As the new Audio/Visual Committee Chairperson, I will represent the A/V Committee at SBLDC Board meetings.

I will provide training and support for the set up and use of sound and visual equipment.

I will research and purchase new equipment as directed by the Board as needed.

I will make the sound equipment available and provide set-up for dance practices and parties.

I will maintain a working relationship with the SaddleBrooke Club Houses Sound and Visual Tech/Management.
