SBLDC.weebly.com

What are the annual dues and are they pro-rated?

The annual dues are currently \$10.00 per year and they are not pro-rated. For example, if you join the Club in September, your \$10.00 covers you until the end of the calendar year (12-31). You have until January 31 to pay dues for the following year.

What is covered by my annual dues?

Your annual dues entitle you to attend all workshops, regular dance sessions and dance parties presented by the Club. However, there may be a small fee required to attend dance parties.

What is the best dance session/level for me?

If you are new to line dancing, haven't danced in a while, or just finished Newcomer Classes with the Club, we recommend either the Wednesday morning "Novice Workshop" or the Tuesday morning "Level 1 Workshop." We can suggest an appropriate session, however, you decide where you will feel most comfortable.
