

Requirements for introducing a dance at the Dance Committee Workshop

1. Any dance brought to workshop **MUST** have a **published step sheet** and a good instructional or demo **video** on YouTube.
2. **Learn your dance well.** HINT: Teach it out loud to yourself or a friend, to ensure you know it and can cue it.
3. When you are ready to teach the dance at the DC Workshop, you must **submit a Step Sheet** and either **donate or lend your music** to the Dance Committee or the Music Committee.
4. The submitted **music must first be approved** by the Music Committee before the DC will put your dance in the queue for a time slot at the DC Workshop.
5. You (or a friend who is also prepared to teach your dance) **must** be available to **teach the dance at 3 or more consecutive DC Workshops.**

Important Note:

If your fellow DC Workshop participants don't come to love your dance as you do, **be prepared to cheerfully let it go** and try again with another dance!
