

The goal of the Website Committee is to continue to work on website design that is user friendly and a positive reflection of club activities such as photos and video galleries. The website is a tool that members can use to become informed about the various club activities such as calendar, program line-ups, leaders, etc. It is important that information be uploaded in a timely manner.

Website Committee Responsibilities

- Represent Website Committee at SBLDC Board meetings
- SBLDC website design
 - Add and delete categories
- Maintain SBLDC website
 - Update files on weekly basis (Managing, Organizing and Refreshing)
 - Maintain club-created videos
