DANCES TABLED:

Tupelo Shuffle [32 ct ,4w] High Improver

Hold Me Closer [64 ct ,2 w] Intermediate

Stop & Stare [32 ct, 4w] Beginner

OTHER DANCE COMMITTEE BUSINESS:

Rotation Structures have been clearly defined to remove the Dance Committee from all routine Program decisions. Input from the DC is only needed for approval of new dances & approval of archive requests made by program managers.

Terri has designed a template for Dance Committee use to create Cue Sheets for the SBLDC web site for approved 2022 club dances.

Updated SBLDC Glossary completed & posted. Thanks to all who contributed to the list.
Special thanks to Terri for her extensive research and formatting for the web site.
Special thanks to Dorothy for her keen editor's eye.

Chairperson initiated a discussion of the possibility of increasing the number of "TEACH" sessions [from 3 to 4] for ONLY our most challenging dances at all levels. Vote was unanimous on 09/12/2022 with the understanding that the final decision will be made by the teacher of said dance in collaboration with the PM of said level. This decision will be made when a dance is "calendar ready" & recorded by the DC Chair. DC chair will inform the club President, who maintains the SBLDC calendar.

The 'try-outs' for alternative music during the end of Dance Committee sessions have been very productive & will be continued as part of the agenda as needed. Specifics regarding music selected will be reported by the Music Committee Chair.

Dance Committee Chair initiated a conversation regarding expansion of the committee from the current membership of 8 to an expanded membership of 9 or 11. The plan will be implemented Winter 2023. We will start with one addition as per committee member input. Anne Romeo will fill that slot.

Respectfully Submitted,
Diana Carbone [Dance Committee Chairperson]
