OTHER DANCE COMMITTEE BUSINESS:

The 'try-outs' for alternative music during the end of Dance Committee sessions have been very productive & will be continued as part of the agenda as needed. Specifics regarding music selected will be reported by the Music Committee Chair.

Dance Committee Chair initiated a conversation regarding expansion of the committee from the current membership of 8 to an expanded membership of 9 or 11. The current committee members will mull the idea over before taking a vote on a workable number for DC in December. The plan will be implemented Winter 2023. We will start with one addition as per committee member input. Anne Romeo will fill that slot.

Respectfully Submitted,
Diana Carbone [Dance Committee Chairperson]
